### Supplies

- Fabric

One fat quarter. A floral print is nice as it gives you places to add embroidery, for example around leaves, centers of flowers, and for stems.

- Embroidery floss- 6 strand

Good quality, bring several colors to enhance the colors of your chosen fabric, both contrasting and blending colors can be effective

- Embroidery Needles

suitable for three strands of embroidery floss, Milliners needles are nice as they have a uniform thickness the entire length of the shaft including the eye

- Scissors for thread snipping

- Optional items:

Thimble, 6" - 8" embroidery hoop, needle threader, table light and extension cord, magnifier
