

Terrific Techniques- Supply List

Peg Pennell

Supplies needed to practice the techniques taught in class-

Setting in circles

- ▣ **Fabric**-Four 11" squares for background and four 8" squares for circle (oval, ellipse, circle)
- ▣ Pencil and a marker to show on your fabric
- ▣ Pins (optional)
- ▣ Poster board 12" square

Pick-up Sticks

- ▣ **Fabric**- An assortment (approximately 12 strips) of one inch wide fabric strips approximately 15" long (you can just bring some coordinating or contrasting fabrics and cut these in class if you wish)
- ▣ Rotary supplies- cutter, mat, ruler (at least 18" long)
- ▣ Pencil or marker to show on your fabric

Foundation Piecing

- ▣ One yard of freezer paper
- ▣ Pencil- A mechanical pencil is best you, need to maintain a sharp point.
- ▣ Fine tipped black Sharpie
- ▣ Straight edge (I use a thin drafting ruler-with care you can use a rotary ruler)
- ▣ Optional-Colored pencils to represent your chosen fabric colors. These are not necessary, but can be helpful. Cheap is OK)
- ▣ **Fabric- The following will be enough for all four foundation pieced sections-** all the "background" is made with one fabric, $\frac{3}{4}$ yard is needed. For the "points" the sample uses strips cut from my stash. For the center strip you will need one strip 2 $\frac{1}{2}$ " wide and at least 36" long. Each of the seven other colors requires **two** 1 $\frac{1}{2}$ " strips that are at least 36" long. You may combine and use fewer fabrics if you wish, keeping in mind you will need two strips for each "point".

Basic class supplies

- ▣ Sewing machine, extension cords, power strip
- ▣ Thread-I used a mid tone gray for all sewing
- ▣ Scissors-paper and fabric
- ▣ Masking tape
- ▣ Iron and pressing surface- we can share, 2-3 to an iron
- ▣ Basic sewing supplies-anything you need to make you a happy quilter!

Additional supplies needed to complete a quilt top similar to the class sample.

- ▣ A center panel, feature piece of fabric or block that is 17 $\frac{1}{2}$ " square including seam allowance.
- ▣ Inner border- 4" by width of fabric
- ▣ Inner border corner stones, 2 sided borders on corner blocks, and outer corner stones- $\frac{1}{4}$ yard OR a fat quarter of each color (four used on sample quilt- you may use fewer if desired)
- ▣ 6" by width of a fabric for the middle border-the one attached to the pointy foundation pieced section
- ▣ Outer border -10" by width of fabric
